

Scenario 5: *A group of students is collaborating on a paper comparing the founding documents from the United States and other countries.*

The teacher in this scenario searched for primary sources in:

Exhibitions

<http://www.loc.gov/exhibits/>

Digitized versions of the Library’s physical exhibitions bring the Library’s unparalleled collections to life.

World Digital Library

<http://www.wdl.org/en/>

This cooperative project brings together rare and unique documents – books, journals, manuscripts, maps, prints and photographs, films, and sound recordings – that tell the story of the world’s cultures.
